CLERK: 30 ayes, 0 nays, 19 not voting on motion to advance.

SPEAKER: The bill as amended is advanced. LB 397. The clerk will read.

CLERK: Read title. LB 397. There are Committee amendments by Senator Kremer's Public Works Committee.

SPEAKER: Senator Kremer.

SENATOR KREMER: Mr. Chairman, the bill LB 397 simplifies the bonding procedure for motor fuel dealers and under the present law, I understand, they have to have a bond for each type of motor fuel, one for gasoline tanks and one for other types of heating oil, diesel, and so on. This bill provides that one bond would be sufficient or suffice for the various kinds of fuels. They can all be on one bond. Now, the amendment to the bill merely provides that the could be at the discretion of the dealer and simply goes on to further clarify the procedure for securing these bonds. That is all the Committee amendments do and I move they be adopted at provided.

SPEAKER: Any discussion of these Committee amendments. If not, all those in favor of the Committee amendments, say aye. Those opposed no. The amendments are adopted. Any further amendments, Mr. Clerk.

CLERK: None.

SPEAKER: Senator Clark.

SENATOR CLARK: Mr. President, members of the body, this is a very simple bill. Non-controversial type bill. All the small dealers, of course, have had to have a separate bond for every type of gasoline or special fuel they've had. All this does is allow them to have one bond for the entire types of fuel they have to pay the tax. That's all the bill does. The Tax Commissioner was in favor of it and I move the bill be advanced to E & R for engrossing.

SPEAKER: R & R for Review. Is there any further discussion? All those in favor of advancing the bill as amended vote aye. Those opposed vote no. Have you all voted? The clerk will record.

CLERK: 30 ayes, 0 nays, 19 not voting on the motion to advance.

SPEAKER: The bill as amended is advanced. LB 414. The clerk will read.

CLERK: Read title. LB 414. There are Committee amendments, by Senator Kremer's Public Works Committee.

SPEAKER: Senator Kremer.

SENATOR KREMER: Mr. Chairman, members of the Legislature, LB 414 has to do with the suspension of a drivers license or the revocation of a drivers license. Now, the bill was amended...first of all, I should probably say that LB 414 provides that the Director of Motor Vehicles may revoke or suspend the driver's license of any person required by him or to attend an approved training educational course on driving, if he has accumulated 12 or more points in two years. Now, the bill was amended to specify...to specify a defensive driving course certified by the National Safety Council and such course, the amendment provides, shall be
